**February 2015**

We started our year with an interesting demonstration of the “2 fast 2 soon” car, used by PSNI to highlight the dangers of irresponsible driving. This road-legal Peugeot hatchback is also equipped to simulate the movements, sights, and sounds of a car crash and its aftermath. It is mainly used to educate younger drivers, and an increasing number of them are on order from the manufacturer for various bodies with a road safety focus. Thanks to Constables Stuart Crutchley and Sydney Henry of PSNI Roads Policing for bringing car this along.

Our next event is the “Karting at Campsie” experience, but we have had to move it to Tuesday 3rd February at 7pm because the venue was fully booked on the date we originally planned. The cost will be no more than £23 per person, giving you a total of 20 minutes racing over a set of heats. Campsie Karting is in the Campsie Industrial Estate near the former Courtaulds plant. (Turn off the A2 at the roundabout beside Decks restaurant.)

Thank you for the suggestions for the October meeting that some of you have submitted. Keep them coming, and any we don't use we can consider for next year's programme. You can send your ideas to any member of the Committee, or to the Group's email address [infor@nwulsteradvancedmotorists.com](mailto:infor@nwulsteradvancedmotorists.com)

Our next SATCs will be,

Spring – 23 March, 13 April, 27 April and 11 May

Autumn - 7 September, 14 September, 28 September and 12 October

If any of your friends or family would be interested in taking the test, let them know that there is still space on these courses and encourage them to get involved – details from me at the Group's e-mail address.
