September 2014

We had an excellent and very interesting meeting on 1st September by a Group Member on The Law procedures in our Province.

Our Autumn STAC will be starting on Monday 8th September then 22nd September, 13th October and 20th October, 2014. Would Senior Observers please try and attend on 8th to do demonstration drives.

Our Group meeting on Monday 6th October at 7.30 pm is a visit to a Vehicle Recovery garage on the Ballycastle Road, Coleraine. Directions for those travelling from the Limavady area are as follows:

At the Lodge Road Roundabout take the exit for Portrush etc. At the next Roundabout (the Ballycastle Road Roundabout) take the third exit towards Ballycastle. After exiting this roundabout travel about 500 yards and take the second entrance on the L.H.S., sign posted for Lindsay Clothing, just past the Walsall building. Turn left into this laneway and after about 50 yards there are big gates on the L.H.S. into the buildings where Burnside Recovery is based.

Please be there at 7.30 pm prompt for our visit and I would inform you that there are currently roadworks on the section of road between the Lodge Road Roundabout and the Ballycastle Road Roundabout with speed restrictions in place and normally quite long tailbacks, so please allow time for this hold-up.

The Motor Cycle section are planning a 'Ride Out' to take place in the near future. Once this is organised I will e-mail all Motor Cyclists with details.

Our Annual General Meeting will be held on Monday 3rd November in 2nd Limavady Presbyterian Church Hall at 7.30 pm. Nomination forms for Group Officers and Committee Members will be on the October Newsletter.
